Selected publications 2018

Für Neuropsychologie. 29, 20-18.

Moritz, S., Purdon, C., Jelinek, L., Chiang, B. & Hauschildt, M. (2018). If it's absurd, then why do you do
it? The richer the obsessional experience, the more compelling the compulsion. *Clinical Psychology & Psychotherapy, 25*, 210-216.
